

Introducing mini USB Fans with integrated phone stand to add WOW factor to your next promotion.

Portable Handheld Rechargeable Fan available in various colours like Green, Blue, Pink and White

PORTABLE COOLING

Our handheld desk fan provides a refreshing breeze wherever you go. Whether you're at your desk, commuting, or enjoying outdoor activities, our compact fan will keep you cool and comfortable.

VERSATILE PHONE STAND

With the integrated phone stand, you can easily prop up your smartphone in both portrait and landscape modes. Perfect for watching videos, video calls, or using your phone reading latest news articles.

USB Rechargeable: No need to worry about batteries or constantly buying replacements. Our handheld desk fan and phone stand combo is USB rechargeable, making it convenient and eco-friendly.

COMPACT AND TRAVEL-FRIENDLY

Designed to be lightweight and portable, our combo easily fits in your bag or backpack. It's an ideal companion for travel, outdoor events, or simply for use around the house.
